Just in

TIME AND DATE NOW CONFIRMED FOR IMPORTANT HEALTH CARE MEETING. Mon., May 22, 7 p.m. at Café 43, 43 High Street in Mineral Point. As we all know, the AHCA

passed the House with new amendments that basically give states more flexibility to ignore previous ACA requirements. The current strategy is to stop the AHCA in the Senate. We must contact Sen. Johnson and Sen. Baldwin incessantly until the AHCA is scrapped in the Senate, then press for a new Senate bill that improves the current ACA or makes changes that move us closer to affordable health care for all. A great summary of what happened and what to expect next can be found here:
