

Lanterns for Peace

A commemoration of the 66th anniversary of the bombings of Hiroshima and Nagasaki

Sunday, August 7th

Twin Valley Lake Shelter
at Governor Dodge Park

North of Dodgeville off Highway 23

“Lanterns for Peace” is part of an international movement against nuclear weapons that began in the early '80s and continues world-wide today. Each year in early August people of all ages gather throughout Wisconsin and the world to bring attention to the dangers of nuclear weapons and to pledge themselves to work for their elimination.

This intergenerational gathering begins at 7:00 p.m.

There will be lantern making, information sharing, story telling, and singing for everyone.

At dusk the unique and beautiful floating of the Lanterns for Peace will take place on Twin Valley Lake.

Please bring finger-food to share; juice and water will be provided.

A day pass or park sticker will be required.

Sponsored by the Grassroots Citizens for Peace
