

Stones into Schools

Book Group Reflection

At our kick-off event on October 28, 2010 at the Dodgeville Library several people suggested that we document our book group discussions. These summaries will give an overview of our county-wide reading experience that will be explored at the culminating gathering at Folklore Village on April 10, 2011 from 2:00 – 5:00 p.m. It will be fascinating to hear what the different groups discussed and their conclusions.

Here is a suggested format:

- 1) Name of your group:

- 2) Members:

- 3) What did your group focus on the most?

- 4) Did your reading and discussion of Stones into Schools change your view of the Afghan people – especially Muslims?

- 5) Do you think that Greg Mortenson's model can be replicated by other groups (e.g. Care, the U.S. Army, etc.)?

- 6) What broader implication, if any, does the book have for U.S. foreign policy?
