

ARE YOU CURIOUS WHERE THE FEDERAL STIMULUS MONEY IS GOING IN OUR COUNTIES?

Posted August 2, 2010

You'll find a list of stimulus money recipients for the state of Wisconsin listed at the following website: <http://www.recovery.wisconsin.gov>. It includes a breakdown by county. Click on your county on the map on the right hand side of the page. Then click on the tab "Sub Recipients". You'll find in Iowa County, for example, 40 recipients have been granted nearly \$8 million of which \$4.5 million has actually been distributed so far.
