## A SAD ANNOUNCEMENT

It is with great sadness that we report the death of Doug Huebner, the immediate past president of Grassroots Citizens of Wisconsin. Our warmest sympathies are with his wife, Janet, and his two sons.

Doug never wavered from his commitment to progressive causes. As Grassroots president, he worked hard for health care and immigration reforms. He was also essential to the

election of Steve Hilgenberg to the State Assembly and he and Janet were always among the first to volunteer during every election cycle.

His closest friends remember him best for his daily email news updates. Before any of us were out of bed, he was combing the Web for the most egregious or most entertaining news stories of the day before.

Doug is missed. We trust that others who share his values will step forward to help fill his shoes.
