"LANTERNS FOR PEACE" EVENT featuring traveling folk singer Rich

Baumann The highlight of this long-time local event will be the floating of over 90 hand-colored paper lanterns, linked loosely together as they are pulled slowly out into Twin Valley Lake by a silent canoe - at dusk. As the darkness deepens, the long arc of glowing lights illumines the night, symbolizing our hope for a world of peace, free of nuclear weapons. The event begins at 6:30 p.m., with lantern making, music, poetry, children's stories and presentations. People are invited to bring a dish to share. A park day pass or sticker is required.
